ANEXO

CRITERIOS DE DISTRIBUCIÓN DE MASCARILLAS FACIALES COMUNITARIAS Y CANALES DE DISTRIBUCIÓN

En el marco de las competencias del Ministerio de Salud de impartir las medidas correspondientes dentro del periodo de cuarentena, en salvaguarda de la salud pública, la Dirección General de Intervenciones Estratégicas en Salud Pública propone los criterios de priorización de la población que requieren mascarillas faciales de uso comunitario, estableciendo los siguientes criterios poblacionales de los 247 distritos priorizados:

a) **Población pobre y en extrema pobreza**: Representa el principal grupo vulnerable en el país con limitaciones para acceder a la canasta básica familiar, por lo tanto, se dificulta acceder a insumos de protección personal como las mascarillas, lo cual representa un riesgo de trasmisión en la actual pandemia. Asimismo, enfrentan situaciones de riesgo determinadas por los recursos personales, económicos, del entorno familiar, comunitario y de acceso a los servicios de salud.

b) **Población indígena de la Amazonía y población afroperuana**: Se prioriza esta población para fortalecer el ejercicio de su derecho a la protección de la salud, reconociendo la diversidad cultural del país. Asimismo, se consideran las limitaciones que puedan presentar para acceder a elementos de protección personal en el marco de la inclusión social y la integración nacional.

c) **Población penitenciaria y trabajadores del INPE**: Población vulnerable debido a las condiciones en las que habitan en los penales o desarrollan su labor los trabajadores del INPE; en ese sentido, para contribuir a evitar la propagación del nuevo coronavirus, se prioriza la entrega de mascarillas a esta población.

**CANALES DE DISTRIBUCIÓN**

- Municipalidades: Responsables de la distribución a la población priorizada en sus distritos.
- Ministerio de Cultura: Responsable de coordinar la distribución a la población indígena de la Amazonía y población afroperuana.
- Instituto Nacional Penitenciario – INPE: Responsable coordinar la entrega a la población penitenciaria y a los trabajadores del INPE.
